# Rental Terms & Conditions

Including terms and conditions, safety restrictions and rules, release of indemnity, and acknowledgement of

I, the undersigned, hereafter referred to as the Lessee, agree to the following terms and conditions in regard to the Moon Walks & Such Bouncer Rental, hereafter referred to as Lessor and Rental, respectively. This is a rental contract only, and does not in any way imply sale of the Rental or convey ownership of the Rental in any way, form, or fashion. All charges and rental fees are based upon the time that the Rental is in the possession of the Renter, regardless of whether the Rental is used or not. Lessee acknowledges that the Rental is clean, in good condition, and working properly, and agrees that Rental will be in the same condition when Rental is returned at the end of the event. Lessee agrees that under no circumstances will Silly String, gum, candy, or any other food, drink, or sticky substance be allowed on or in the Rental. If, at the end of the event, the Rental requires cleaning or repairs, Lessee agrees to be held responsible for said costs in full. No silly string is permitted to come in contact with the inside or outside of the bouncer, this causes irreparable damage to the bouncer. Lessee acknowledges that if the bouncer is damaged by silly string then a \$1000.00 fee will automatically be charged to the Lessee.

The Rental will be delivered to the address specified by the Lessee. Lessee grants Lessor the right to enter said property for delivery and pick up of Rental at the approximate specified times. The Rental is to remain in the possession and on the property of the Lessee at all times during the rental. Lessee will not under any circumstances, sublease, rent, sell or otherwise transfer the Rental to any one else's possession. Lessee will not move the Rental from the delivery address. Lessee will not uninflate, overinflate, move or otherwise impede the operation of Rental. Lessor will have the right to repossess the Rental at the end of the event time, as noted in this agreement. Lessee represents and warrants that the Rental will be returned on time and in good condition, and hereby agrees to pay the Lessor a sum of not less than \$5,000 if it is not returned. If Lessee does not return the Rental at the end of the event time, Lessee will be subject to additional fees for rental, travel, and any other expenses related to the repossession of the Rental by the Lessor.

Lessee understands and acknowledges that the activities engaged in with Rental brings with it both known and unanticipated risks to any and all participants. This risks include but are not limited to falling, slipping, crashing and colliding, and could result in injury, illness, emotional distress, death and or property damage. Lessee acknowledges that they have adequate homeowner's insurance, tenant insurance, and/or other liability insurance to cover any bodily injury or property damage, which might occur to guests, invitees, or themselves from the use of Rental. Lessee voluntarily releases, indemnifies, holds harmless and discharges the Lessor from any and all liability, claims, actions, or or rights of actions, whether by Lessee or a third party, including those allegedly attributable to negligent acts or omissions. Lessee agrees to reimburse attorneys fees and other costs which may be incurred by Lessor in the defense of any such liability, claim, action, or right or action. In the event that a lawsuit should be filed against the Lessor, the substantive law of the state in which the Lessor presides (Tennessee) shall apply in that action, without regard to the conflict of law in any other state. Lessee acknowledges that they have been instructed about, and fully understand, the safe operation of the Rental. Lessee agrees to observe all safety precautions.

Lessee agrees to personally supervise both the Rental and its use at all times while Rental is in their possession. Lessee acknowledges receipt of rules and regulations as stated in this agreement, and/or also printed on the Safety Label of the Rental. Lessee agrees to follow and utilize rules and safety regulations at all times during the Rental. Lessee understands that the safety of the participants depends upon their ability to personally supervise and follow the rules and regulations, and is in full the responsibility of the Lessee. Lessee agrees that, to avoid damage to the Rental, all participants will REMOVE SHOES before playing in or on the Rental. Lessee acknowledges that, to avoid back and neck injuries, FLIPS ARE NOT ALLOWED by any participants, regardless of age or gymnastic ability.

**A responsible adult must be in constant attendance and supervise the proper use of the unit at all times. Lessee acknowledges that only compatible age groups and sizes shall play on Rental at the same time, as determined by age group. Lessee agrees not to exceed the maximum number of participants. The maximum number of children that can occupy the Rental at any given time is as follows: Children up to age 7: 6-8 participants; Children ages 8-12: 4-6 participants; Children and Individuals Ages 12 and Over: 3-4 participants. Lessee acknowledges that these are guidelines only and are subject to Lessee's supervision. The slides are limited by weight - no more than 4 riders of any size should be allowed on the slide at a time - the one sliding, the one or two waiting to slide, and the one or two climbing the steps. Obstacle course and bungee run are designed for the use of two participants at one time and no more. Children must wait until participants have completed existed before entering the obstacle course or bungee run. In addition, the bungee run has a maximum weight of 200 per participant. This weight limit cannot be exceeded without damaging the inflatable.**

Lessee understands and acknowledges that the Rental is not to be moved from the original installation area. If it moves due to bouncing activity, the Lessee may pull the Rental by one of its corners back to the original location. Do not use the unit in rainy conditions or if the wind speed exceeds 20 mph. Lessee will not place the Rental or have the Rental placed near swimming pools. Lessee will not alter the Rental in any way, or make any attachments or detachments to the Rental, period.

Fully inflate the unit prior to use. Do not use the unit partially inflated. Should the Rental deflate, the Lessee will take the following actions. If the motor has stopped, Lessee will make sure that it has not been unplugged and check fusebox or breaker for tripped circuit. If the motor is running, Lessee will check the air intake on the side of the motor for blockage, and check blower tube(s) on the Rental to make sure that they are tightly tied off. Under any other circumstances, Lessee will immediately contact Lessor, apprise them of the situation and follow any instructions made by the Lessor.

During periods of severe weather conditions (such as heavy rain or high winds), Lessor reserves the right to cancel reservations and provide Lessee with a rain check, discount, or refund, if applicable. Under less severe conditions, Lessee may have the option of keeping or cancelling reservations. If Lessee keeps reservation, there will be no refund, discount, or rain check, regardless of whether or not the Rental can be used. **Regardless of reason, any cancellation which occurs less than 7 days prior to reservation will result in a cancellation fee of not less than 50% of the rental cost.**

**Any rentals made on your behalf from any third party vendor (i.e., generators, carousels, etc.) must be paid in full irregardless of whether they are used. There are no exceptions to this policy. You will be informed on the telephone, on your invoice and on your rental**
